

Food Colors

red

Bring color into your baking life - With our natural food colors, sugar masses, creams, desserts, whipped cream or drinks can be colorfully colored and unique works of art can be created.

Preparation: Add the coloring powder to the mass until the desired color intensity and knead or stir.

**Color intensity varies and can be found in different shades with different masses.

Tip: With a colorful cream filling, the birthday cake becomes a real highlight.

Contents: 8g

Ingredients: Maltodextrin*, coloring food powder (beet, rosehip, spirulina)*, arrowroot flour*.
