

**Organic agave sweetener, white**  
**coarse-crystalline**

If one continues the thickening process of the agave syrup, sugar crystals are formed, which are chopped off and then ground into fine-crystalline agave sweetener. The white agave sweetener consists of 100% agave syrup and has a very high sweetening power. With it, all recipes, but especially pastries, cakes and cookies can be prepared without problems.

- -- vegan
- -- low glycemic index of 10-12
- -- rich in fructose

**Ingredients** --- agave syrup \* 100%.

\* from organic farming

**Sensory & Quality Parameters**

Consistency: Crystalline powder

Color: White

Taste: Intense sweet

Odor: Neutral

Brix: 0,5 - 3%

**Allergens** --- none, contains: Fructose

**Best before date** --- 12 months

We will be happy to provide you with further quality parameters on request in our extensive product specifications.

**Enthaltene Rohstoffe**

- Agave

**Empfohlene Gebindegrößen**

- Blank tin 250 g high
- Blank tin 500 g wide
