

## Organic cassis syrup

We have refined agave syrup with black currant juice. Due to the high fruit content of at least 240g fruit per 350g syrup, the taste is particularly fruity-intense. Cassis syrup is wonderfully refreshing when poured over mineral water for lemonade or sparkling wine for Kir Royal. The syrup can also be used as a topping for desserts and mueslis or to refine smoothies.

- -- vegan
- -- very high yield
- -- high fruit content

**Ingredients** --- agave syrup \*, black currant juice concentrate \*.

\* from organic farming
