

## Organic cranberry syrup

The syrup is a melange of Mexican agave syrup and finest cranberry juice. Due to the high fruit content of at least 240g fruit per 350g syrup, the taste is particularly fruity-intense. The cranberry syrup is wonderfully refreshing when poured on mineral water for lemonade or for mixing delicious dressings. Tip: Fruity cranberry vinegar for fine salads simply DIY with cranberry syrup and white balsamic vinegar.

- -- vegan
- -- very rich
- -- high fruit content

**Ingredients** --- agave syrup \* 90%, cranberry juice \* 10%.

\* from organic farming
