

Organic sour cherry syrup

The syrup is a melange of Mexican agave syrup and fine sour cherry juice. Due to the high fruit content of at least 245g fruit per 350g syrup, the taste is particularly fruity-intense. The sour cherry syrup is wonderfully refreshing when poured over mineral water to make lemonade. The syrup can also be used as a topping for desserts, yogurts and mueslis or to refine smoothies and fruit salad. Tip: Our sour cherry syrup is the secret ingredient in a Black Forest cake as well as in winter non-alcoholic punch.
